

COPYRIGHT TRANSFER FORM

ASCC (Asian Control Conference) Steering Committee and authors share a common interest in the protection of copyright. In order to do so effectively, ASCC Steering Committee needs a formal written transfer of copyright from the authors for each paper **published**. This copyright transfer form is intended for original, previously unpublished manuscripts submitted to ASCC conference publications. Please read all notes, then complete and return this form to: **ASCC'2002 Secretariat, Professional Activities Centre, Faculty of Engineering, National University of Singapore, Singapore 117576.**

The author(s) warrant(s) that this work is original, and has neither been submitted for publication, nor has been published in any form, elsewhere. The author(s) warrant(s) that the paper contains no libelous or other unlawful statements, and does not infringe on the rights of others. If excerpts from copyrighted works are included, the author(s) has (have) obtained or will obtain written permission from the copyright owners and will credit the sources in the paper. The author(s) or, in the case of a "work made for hire", an authorized representative of the copyright holder(s) hereby transfer(s) copyright of the above work to the ASCC Steering Committee, effective upon publication. However, the following rights are reserved:

1. All proprietary rights other than copyright such as patent and trademark rights.

3. The right to reproduce the work (prior to publication) for their own purposes provided that the copies are not offered for sale, and are not distributed in a systematic way outside of their employing institution.

This transfer includes the right to adapt the paper for use in conjunction with computer systems and programs, including reproduction or publication in machine-readable form and incorporation in retrieval systems. Please confirm by marking the appropriate box following the signature line. The signing author shall bear the responsibility for designating the co-author(s) and must inform ASCC Steering Committee of any changes in authorship.
