

Call for Exhibitors

The 4th Asian Control Conference

September 25 to 27 2002

Singapore International Convention and Exhibition Centre
Singapore

<http://ascc2002.nus.edu.sg>

The Asian Control Conference (ASCC) is now a bi-annual event and a major control event held in Asia. As part of the conference, the 4th ASCC (ASCC2002) provides an excellent opportunity for exhibitors to show their products and to meet face to face with the professionals in the fastest growing market, Asian.

The exhibition will take place during the technical program. The exhibitors will have the opportunity

- to meet and interact with the researchers, engineers and professionals worldwide
- to **know** the latest research results
- to present and sell their products
- to make contacts with other manufacturers
- to take their places in the fastest growing market, Asia

A **3x3** meter dimensions space will be assigned to each exhibitor. The summary of the exhibition and participants will be publicized in the proceedings of the conference.

The registration fee is \$3000. When you register with us, your company's name and a link to your web site will be put in the conference web page. Do not miss this excellent opportunity.

If you have any questions or requests, please contact either of the exhibition co-chairs:
