

Workshop with Tsinghua University - Post-event editorial

Prof Tan Eng Chye, Provost and Deputy President (Academic Affairs) presenting a token of appreciation to Prof Sun Maosong, Head, Dept of Computer Science & Technology, Tsinghua University

The first collaborative workshop between the Department of Computer Science & Technology, Tsinghua University and Department of Electrical & Computer Engineering, National University of Singapore, was held on 4-5 October 2007.

This inaugural workshop marks the beginning of a series of workshops to promote research collaboration and academic cooperation between the two departments under the Memorandum of Understanding signed in January 2007.

The two-day workshop included 11 presentations in the areas of computing, communications & information, control systems, *etc.* The event was graced by Prof Tan Eng Chye, NUS Provost and Deputy President (Academic Affairs), who had discussions with the Tsinghua delegation during the tea reception.

A number of key programs had been identified for follow-up. It is also agreed that the second workshop will be hosted by Tsinghua University in September 2008.
