Dear Rong Li:

On behalf of Dr. Alex Gelman, Director of IEEE Communications Society Membership Development, I am pleased to inform you that you are being awarded a Student Travel Grant to IEEE GLOBECOM 2005. Congratulations!

If you have not sent in your W-8 (for non-US residents) or W-9 (for US residents) please do.

The STG consists of a check for US\$1000. You are entitled to this check only when you participate in the conference in person. You are responsible for registering for the conference, attending in person, and presenting your paper.

After you attend the event please complete the attached expense report, sign it, and mail it to my attention along with the associated receipts. If you would like your US\$1000 paid via a foreign draft in your local currency, feel free to request it by way of a letter indicating the desired currency. If you prefer payment via wire, I will need the following information:

- |                       |  |
