

## Springer Theses Award for Recognizing Outstanding Ph.D. Research

**Mr. Amit Kumar Singh** won the Springer Theses Award for recognizing outstanding Ph.D. research

**Supervisor:** Associate Professor **Sanjib Kumar Panda**

### **Award Description:**

Springer Theses – the “best of the best”

Internationally top-ranked research institutes select their best thesis annually for publication in this series. Nominated and endorsed by two recognized specialists, each thesis is chosen for its scientific excellence and impact on research.

The content of the series is available to millions of readers worldwide and, in addition to profiting from this broad dissemination; the author of each thesis is rewarded with a cash prize equivalent to € 500.
