

1st ECE Graduate Student Symposium

Faculty of Engineering, National University of Singapore

12 – 13 May 2011

<http://www.ece.nus.edu.sg/gsc/>

CALL FOR PAPERS

TOPICS

- Communications & Networks
- Control, Intelligent Systems & Robotics
- Integrated Circuits & Embedded Systems Circuits
- Microelectronic Technologies & Devices
- Microwave & RF
- Power & Energy Systems
- Signal Processing & New Media

IMPORTANT DATES

Registration and Abstract Submission Deadline: **21st March 2011**

Authors are invited to register online at <http://tinyurl.com/nusecesymposium>. All successful registrations will be considered as accepted for the symposium. Participants are NOT required to submit their papers. Submission entries can be published work or on-going work. Authors are also required to submit the hard copies of the abstract and the registration form (<http://www.ece.nus.edu.sg/gsc/Registration%20form.doc>) endorsed by the supervisor to **Ms Sim Mong Choon**, ECE Department.

Each presentation in the symposium will be counted towards the seminar presentation requirements, while attendance at each symposium session will be counted towards the seminar attendance requirements of EE5999 / EE6999. Presenting a paper at this symposium is **compulsory** for those PhD students who have passed their 2nd QE and have not completed the seminar presentation requirements.

ORGANIZING COMMITTEE

Program Chair	Ganesh N Iyer
Program Advisor	Prof Tan Leng Seow
Program Vice-Chair	Chen Xiaolei

HOSTED BY

Department of Electrical and
Computer Engineering,
Faculty of Engineering
